

ART & D.T. Writing Toolkit – YEAR 6 – Writing Prompts

Writing Prompts:

Design a Bridge That Represents Teamwork – Your task is to design a bridge that is both strong and symbolic. What materials do you choose, and what does the design represent?

The Sculpture That Spoke – A sculpture in a gallery begins to speak to you. What story does it tell?

The Protest Poster – You are asked to design a poster to inspire change. What is your message, and how do you make your poster stand out?

A Room Full of Art – You wake up inside a famous painting. What do you see, feel, and hear?

The Wearable Invention – You invent a piece of wearable technology that solves a real-world problem. What does it look like, and how does it work?

Create a Museum Exhibit – You are asked to design an exhibit for a museum of the future. What will you include, and why?

Art for a New Planet – Humans are moving to a new planet. You are in charge of designing the first artwork ever seen there. What do you create?

The Blueprint Discovery – While exploring your attic, you find old blueprints for an invention that was never built. What do you do next?

Design a Logo for a Movement – A new movement needs a powerful logo. What colours, shapes, and symbols will you use to represent its values?
